FIRE AND RESCUE
EXTRICATION BLANKET

WARNING: Read
Directions Carefully.
PROPER CLEANING
ENSURES LONGER LIFE
AND EFFECTIVENESS OF
THIS EMERGENCY FIRE
AND RESCUE BLANKET.

PLEASE FOLLOW THESE DIRECTIONS:

1. Hand wash using cool to warm water & mild detergent only.
2. To disinfect, you may hand wash blanket in 10% diluted household bleach water.
3. Use only a soft sponge for spot treatment when washing. A stiff brush or machine washing will damage fiberglass material.
4. Use grommets on blanket to air dry only. **DO NOT** machine dry.
5. Replace blanket in pouch when dry to protect until next use.
6. Any questions please call 800 228-7612.

NOTE: The working temperature of the fire blanket is 1000 degrees Fahrenheit.
